

The River Valley Special Recreation Foundation (RVSRF) is excited to host our 10th Annual Great Mouse Race on Saturday, November 7th at the Bill Spriggs Civic Auditorium in Kankakee.

What is a Mouse Race? It's like horse or dog racing—only with mice! Guests cheer on their favorite racing mouse while placing friendly wagers, all in support of a great cause.

Proceeds from the event help fund participant scholarships, support capital improvement projects, and offset program costs—ensuring recreation remains accessible to all at River Valley Special Rec.

We invite you to partner with RVSRF as an event sponsor. This fun and unique event provides a great opportunity to promote your business while supporting individuals with special needs in our community.

New this year, we are offering an Exclusive Presenting Sponsorship (\$2,500) with the opportunity to have the event branded "Great Mouse Race presented by [Your Business Name]." This sponsorship includes the largest logo placement on event marketing materials, a premium reserved table for eight guests, radio promotion, and additional recognition opportunities.

We are also introducing new add-on sponsorships, including Bar Sponsor, Betting Table Sponsor, and Food Truck Sponsors, as food trucks will be available at the event for attendees to purchase food.

Please see the enclosed flyer for a full list of sponsorship opportunities and benefits. Confirmation of Presenting, Trifecta, and Win Level Sponsorships must be received by September 1st. Place and Show Sponsorships must be confirmed by October 1st.

The River Valley Special Recreation Foundation (RVSRF) is a 501(c)(3) nonprofit dedicated to supporting River Valley Special Rec's mission of providing inclusive recreational opportunities for people with disabilities.

Thank you for your consideration and support,

RVSRF Foundation Board
